Notice is hereby given that Election Code 31.122 requires the city secretary to keep their office open for at least three hours each day during regular office hours, on regular business days during the period running from the 50th day before election day until the 40th day after election day.

For purposes of Election Code 31.122, for an entity other than an ISD, "regular business day" means any weekday that is not considered a legal state or national holiday under Election Code 1.006.

Please note that other routine services of the City Secretary, such as vital records and public information, will not be available during these limited holiday hours. **Please call my cell phone number at 903-948-8661 for assistance.**
