

Oncor has informed us that there will be a planned power outage in the City of Rusk on Wednesday, November 6, 2024 from 8:00 AM – 5:00 PM. Here's what to expect:

• **Affected Areas:**

Homes and businesses along US Hwy 69 South (south of the US Hwy 84 & 69 intersection) and US Hwy 84 East, within the Rusk city limits should only be out of power for 15-20 minutes in the morning, with power to return and be on for the rest of the day.

The following addresses will experience a power outage on Wednesday, 11/06/2024, estimated from 8:00 AM to 5:00 PM.
